

# ART REQUIREMENTS

## ART PAPER PROVIDED BY S1A

- Use one sheet per artwork and/or student.
- Unused paper may be saved for future fundraisers.
- Think green and recycle unused paper.

## HELPFUL ARTWORK TIPS

- Fill the space with vivid, bold colors and backgrounds.
- Keep picture centered in the space with less important background details at the edges.
- Use Signature Template document provided or write signature and/or date 1 inch from the edges.
- Borders, if colored, can be solid or designs and should be at least 1 inch thick.

## MATERIALS RECOMMENDED

Markers • Tempera Paint • Intense Watercolors • Crayons • Oil Crayons  
Paper Collage

## FILL OUT ARTIST IDENTIFICATION

- Print information in black or blue ink.
  - No cursive.
  - Do not allow young children to fill out this information.
- Fill in the School's name on every piece of art submitted.
- We recommend affixing preprinted ID labels to the header section. 12 pt. font is recommended.
- Correct spelling on personalized catalogs depends on legible and accurate information.

## DID YOU KNOW?

If finished artwork can be seen clearly across the room product results will be awesome!

## FINISHING TOUCHES

- Check artist identification to make sure information is correct and legible.
- Use a fine-tipped marker to overwrite and correct header information.
- Erase unwanted marks, pencil marks and smudges.
- Recolor or repaint lightly colored areas. Light artwork will not reproduce well.
- Skin tones must be heavily covered and opaque as possible.
- Trim away excess paper that hangs over the edges on a paper collage.

Slight cropping occurs during manufacturing. Keep special details or text away from the edge of artwork. Details near edge may be partially or completely missing from the finished product manufacturing if important directions are ignored. All artwork submitted is captured "AS IS". We cannot be held responsible for remaking custom products if art requirements were not followed.
