SIGNATURE TEMPLATE DIRECTIONS

1. Cut out shaded rectangle area below.
2. Place this paper over finished artwork.
3. Write name, date or both within the opening below to ensure that the entire text will appear on finished products.
4. Very young children do best when writing their name from left to right side of paper.
*If you want signatures to be on the bottom right side, turn template over.

HELPFUL ARTWORK TIPS

- Fill the space with vivid, bold colors and backgrounds.
- Keep picture centered in the space with less important background details at the edges.
- Use Signature Template document provided or write signature and date 1 inch from the edges.
- Borders, if colored, can be solid or designs and should be 1 inch thick.

NOTE

If directions are ignored, some text or details will be cropped during product printing. We recommend that you do not draw pencil guidelines or leave border areas white.
